*Munfordville High School*

It is an honor to pay tribute to one who was, before her death, such a genuine part of Munfordville High School. Her interest in her students and her eagerness to help them have endeared her to all who have been under her influence. Because she meant so much to so many, we the students of M.H.S. dedicate the 1964 Liberanni to Elvena Gibson.

Within the halls of MHS we have found learning, guidance, and self-expression. These are the things that create memories. We have attempted to capture between the covers of the 1964 Liberanni the most prominent of these memories.

Our deep appreciation goes to our advisor, Mr. H. D. Puckett, whose constant guidance and patience made our dreams of a 1964 Liberanni materialize.

It is our hope that we have achieved our goal of presenting to you an annual complete with memories that you will always cherish.

The Annual Staff

Seniors:

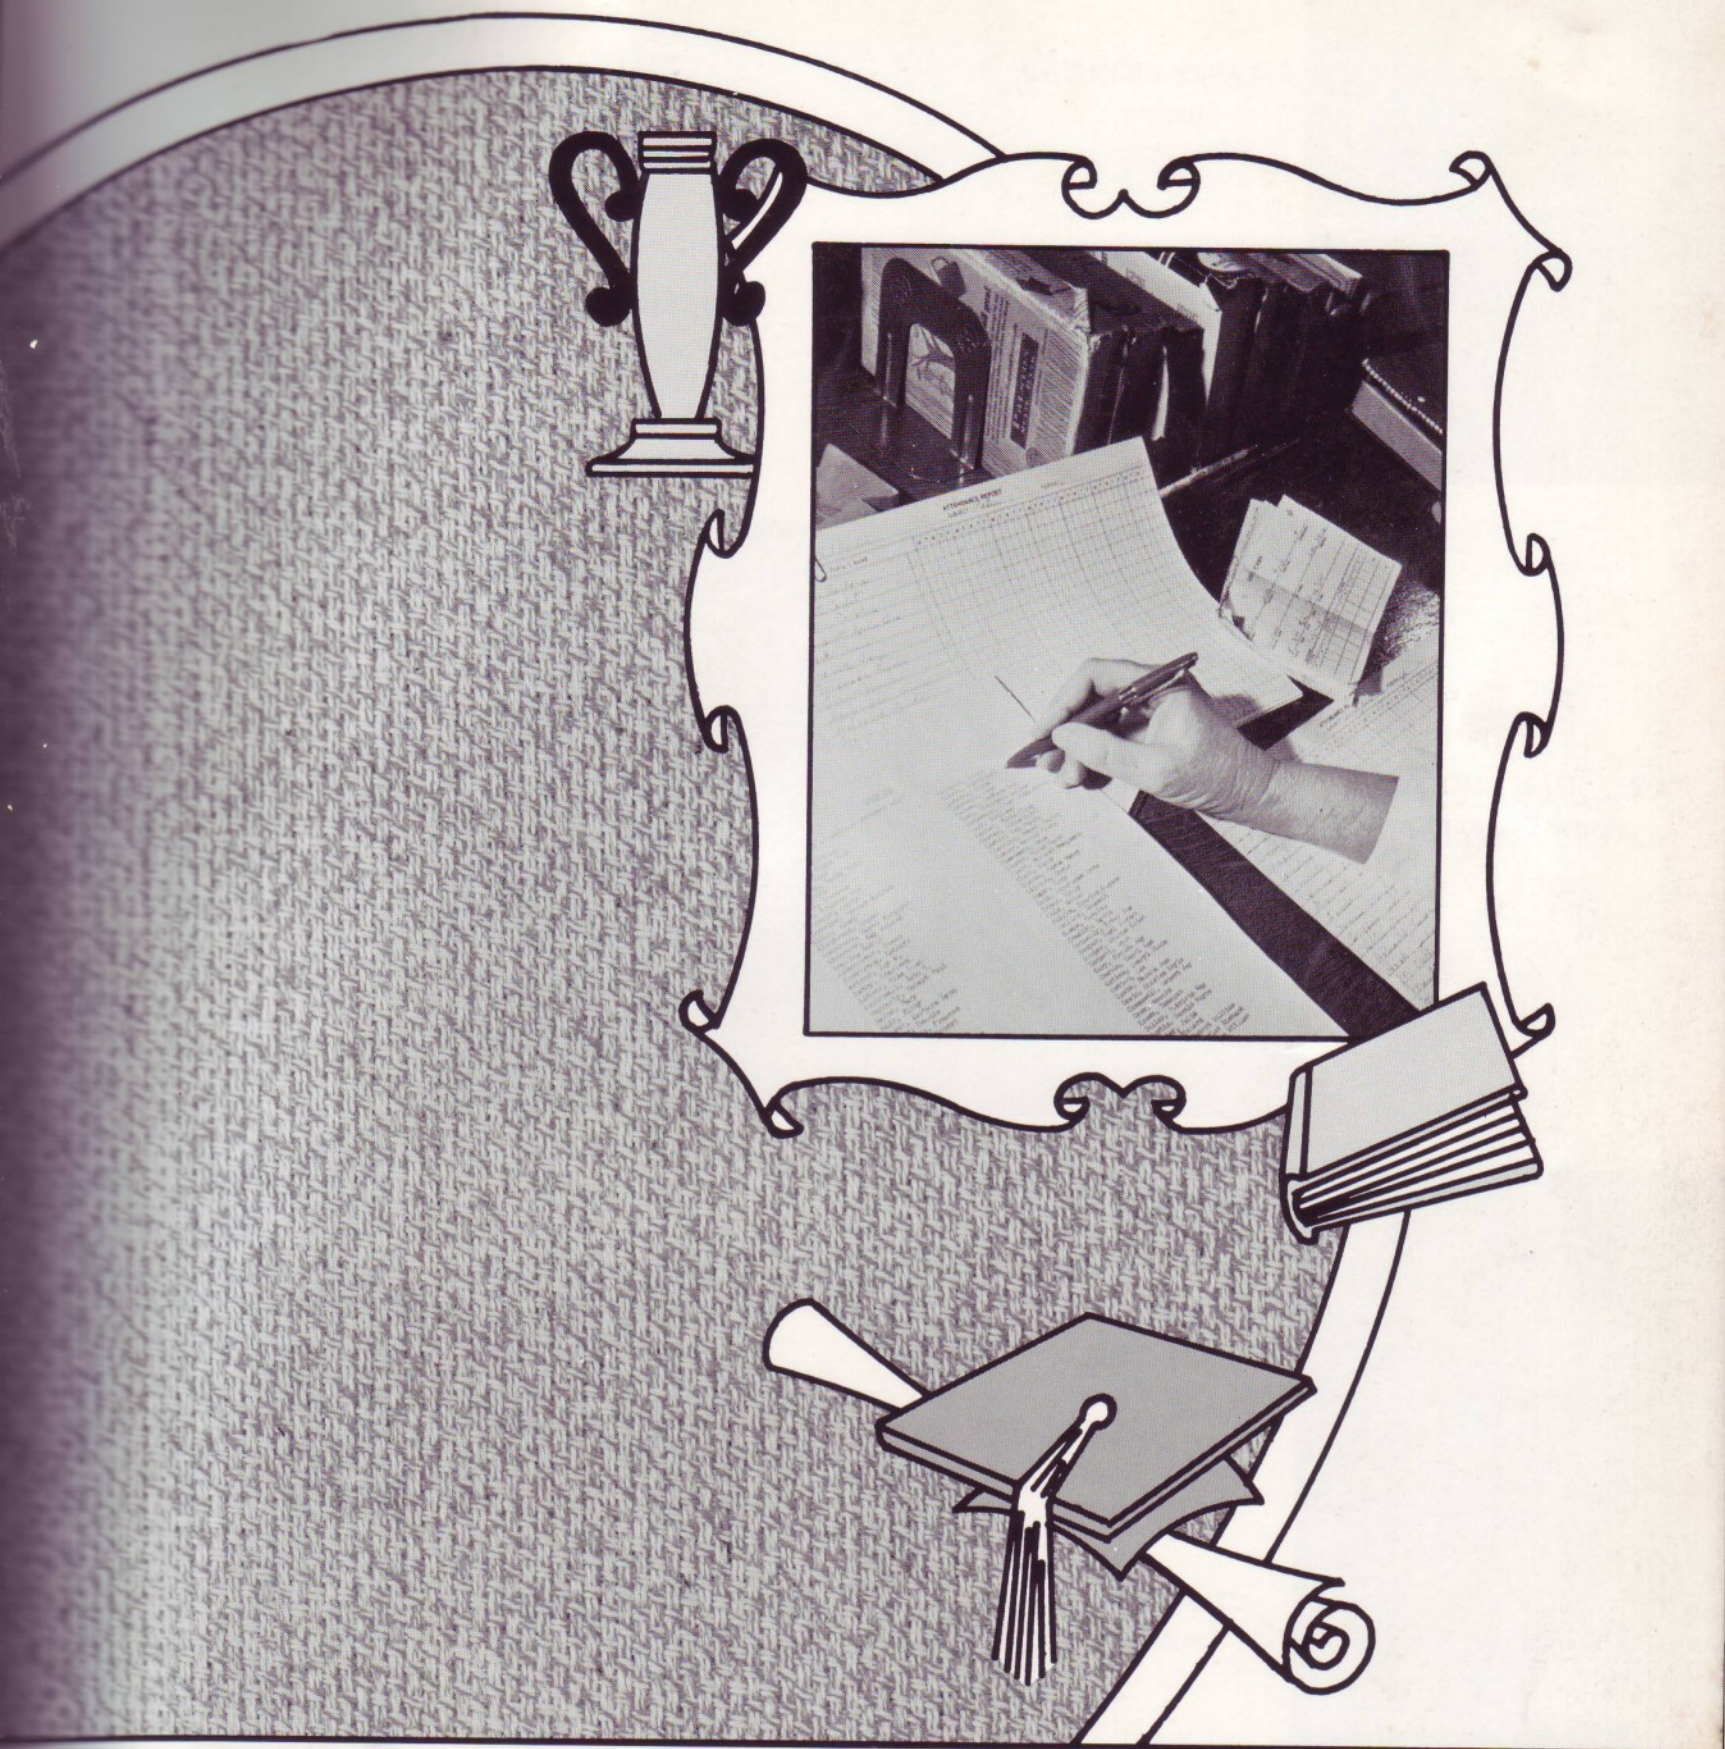

Go out and live with enthusiasm. Youth is not a time of life; it's a state of mind, a temper of the will, a quality of the imagination, a predominance of courage over timidity, of the thirst for adventure over love of ease. Worry, doubt, self-distrust, fear--these bow the head and turn the growing spirit back to dust.

So long as your heart receives messages of beauty, cheer, courage, grandeur, and power from the earth, from your fellow man, and from God, so long are you young.

Live every day as though you expect to live forever. These words are partly borrowed from greater minds than mine, but I leave them with you as a creed for living.
